1.4 Scope of application

This Policy applies to the **ACX Group** and to **ACX Group Personnel**.

1.5 Questions and reporting breaches

Direct any questions or any known or suspected violations of this Policy to the **Compliance Officer** at compliance.adaniconnex@adani.com.

You must report all known or suspected violations of this Policy to the **Compliance Officer** as soon as possible.

Retaliatory behavior resulting from good faith reporting is never acceptable. Those who engage in retaliatory behavior will be subject to disciplinary action.

2. POLICY REQUIREMENTS

2.1 Bribery and Facilitation Payments

Bribery and **Corruption** take many forms: they can be obvious, for example, a cash **Bribe**, or subtle, for example, job offers, commissions, and excessive **Hospitality**.

Facilitation Payments are payments made to speed up or secure certain routine government actions.

You must comply with the following requirements:

- a. do not offer, promise or give a **Bribe** or other improper payment or advantage, directly or indirectly;
- b. do not ask for or receive a **Bribe**;
- c. you must not indirectly **Bribe** by using intermediaries, such as agents, consultants, advisors, contractors, subcontractors, distributors, or any other **Business Partner**;
- d. you must take extra care when dealing with **Public Officials** to avoid the perception of **Bribery** or **Corruption**;
- e. do not make **Facilitation Payments**, except where making such a payment is required to avoid risk to life or personal injury (in such circumstances, you must report the payment to the **Compliance Officer** as soon as you can and ensure that the payment is recorded properly in line with the Anti-Corruption Records Retention Plan("Plan");
- f. in accordance with the terms of this Policy, you may engage in reasonable and appropriate expenditure for **Gifts, Hospitality, Entertainment**, and other legitimate activities directly related to the conduct of **ACX's** business; and

you must immediately report to the **Compliance Officer** all instances where you are aware of an offer, promise, or information on giving a **Bribe** or information on a **Bribe** being offered.

2.2 Gifts, Hospitality, and Entertainment – general requirements

We allow the offering and receiving of reasonable and appropriate **Gifts, Hospitality**, and **Entertainment**, as they are an established part of doing business, if the conditions and requirements set out in this Policy are met.

All **Gifts, Hospitality** or **Entertainment** must:

- a. be for a legitimate business purpose, directly related to **ACX Group** business, of a nature and value that is in line with industry norms in the place they are given or

received, and reasonable, and appropriate. The appropriate value will vary by country or region, and an acceptable value in some countries may be unacceptably high in others, so you must always be aware of the risk that even something of a low value may be inappropriate;

- b. not be capable of being reasonably interpreted as a **Bribe**;
- c. not put you or the **ACX Group** in a compromising or embarrassing position;
- d. not be used to improperly influence or appear to influence you or anyone else or have the intention of improperly obtaining or retaining business or any business advantage;
- e. not be offered to or accepted from a person or organization that has a reputation for dishonesty, or unethical or illegal conduct;
- f. not be offered or received with any party with whom we are engaged with in an open bid or tendering process;
- g. Inform your Manager and the Compliance Officer before the Gift, Hospitality or Entertainment is purchased, offered or received if the value of such Gift, Hospitality or Entertainment is below threshold of INR 7000 or USD 100 whichever is lower, and seek an approval from your Manager the Compliance Officer and CEO before the Gift, Hospitality or Entertainment is purchased, or offered if they are over the value of US\$100 or ₹7000, whether on a one-off basis or in total in last one year with the same person or entity. In relation to Hospitality or Entertainment the value is for each person present at the event.

Information or pre-approval requests should be sent to the Compliance Officer at compliance.adaniconnex@adani.com with the details of proposed recipient or attendees for such Gift, Hospitality or Entertainment and the relevant form can be found at Appendix 1 and records of recipient or attendees should be kept in line with Anti-Corruption Records Retention Plan. Preapprovals are mandatory for all instances of purchase of offer of Gift, hospitality or entertainment.

If a pre-approval is not possible for legitimate reasons, then you must seek and obtain approval from your Manager the Compliance Officer and CEO as soon as possible. after purchasing, offering, or receiving the Gift, Hospitality or Entertainment. It is important that where Gifts are received without prior approval there is no perception that we have accepted a Bribe, so such Gifts must be handed over to the Compliance Officer who will arrange for them to be returned to the giver or disposed off through HR processes along with an appropriate explanation;

- h. not breach any policies or local laws, rules, or regulations applicable to you or the person giving or receiving the **Gift, Hospitality or Entertainment**. It is your responsibility to check this;
- i. not be offered to, received from or discussed with **Public Officials**, or persons who might be perceived to be **Public Officials**, except with the pre-approval of the **Compliance Officer**;
- j. not be offered to you or another person indirectly, for example through a **Family Member**, or offered or given to any other person's **Family Member**;
- k. not lead to an actual or perceived **Conflict of Interest**;
- l. where required by this Policy, be approved by the **Compliance Officer**;
- m. be supported by receipts/invoices supported with approvals in line with applicable policy and be recorded fully and accurately in the relevant **Books and Records** of the **ACX Group** in a timely fashion and in line with applicable legal and accounting requirements; and
- n. not conflict with any other policy obligations that you are subject to.

2.3 Gifts

Gifts are a reasonable and established part of doing business in many countries and can help to build better business relationships. The giving or receipt of **Gifts** is permitted provided that the requirements of this Policy are met:

Gifts must never be cash or a cash equivalent such as a voucher or gift card. Any cash or cash equivalent gifts given, received, or requested must be immediately notified to the **Compliance Officer**; and

Gifts should, wherever possible, be branded with a company logo to demonstrate their business purpose and limit their transferability.

2.4 Entertainment and Hospitality

It is generally accepted business practice to offer or accept **Entertainment** and **Hospitality** that occur alongside business-related meetings and activities. Such **Hospitality** and **Entertainment** must be reasonable under the circumstances, and comply with the requirements of this Policy and duly preapproved by compliance officer and CEO:

- a. at least one representative of the **ACX Group** and one representative from the recipient organization must be present at the **Entertainment** or at an event where **Hospitality** is offered or received; and
- b. when providing **Entertainment** or **Hospitality**, the **ACX Group** must, to the extent possible, pay for all costs directly, rather than advance them or have them reimbursed to the recipient.

2.5 Sponsored Travel

Undertaking **Sponsored Travel** may be appropriate provided that:

- a) the **Sponsored Travel** is for a legitimate business purpose duly pre-approved by Compliance officer and CEO;
- b) the **Sponsored Travel** is no longer than is needed to achieve the purpose of the travel and only strictly necessary expenses are acceptable. Any offers of *per diem* expenses should be disclosed to the **Compliance Officer** for approval, as we generally do not permit *per diems* to be paid to us by third parties;
- c) you do not pay any costs. Instead they should be paid directly to service providers associated with the trip by the party providing the **Sponsored Travel**. When this is not possible, **ACX Group** accounts should be used for the payment of expenses, not personal accounts. All payments should be accounted for and invoices/receipts should be issued/received; and
- d) regardless of value, you receive prior written approval by the **Compliance Officer**. In cases where such pre-approval is not possible, you must seek and obtain approval as soon as possible after the fact.

2.6 Commercial Sponsorships

Commercial Sponsorships can be used as a means of paying **Bribes**, so care must be taken before any arrangements are entered into and you must ensure that:

- (a) all **Commercial Sponsorships** are formalized in a legally binding agreement; and
- (b) regardless of value, **Commercial Sponsorships** receive prior written approval by the **Compliance Officer** and **CEO**.

2.7 Charitable Donations and Grants

We sometimes provide **Grants** and make **Charitable Donations** for a variety of legitimate purposes duly pre-approved by Compliance officer and CEO.

To ensure that **Grants** and **Charitable Donations** cannot be considered to be **Bribes**, you must ensure that:

- (a) **Grants** or **Charitable Donations** do not give rise to any immediate business advantage for the **ACX Group** or be used to buy influence; and
- (b) regardless of value, **Grants** and **Charitable Donation** receive prior written approval from the **Compliance Officer** and be accurately recorded in the relevant **Books and Records**.

2.8 Political Contributions & Lobbying

Generally, we do not make **Political Contributions** or engage in **Lobbying**. All **Political Contributions** and **Lobbying** must be sent to the **Compliance Officer and CEO** for approval. **Political Contributions** must never be used as a form of **Bribe**.

ACX Group Personnel must seek to avoid any relationship, influence or activity that will impair, or appear to impair, their ability to do their job or make fair and objective decisions when performing their job, or that is not in the best interests of the **ACX Group**. This shall – for example – include business transactions with a **Related Person**.

Where any kind of actual or potential **Conflict of Interest** arises, **ACX Group Personnel** must:

- (a) report the situation promptly to the **Compliance Officer** before entering into any business transaction; and
- (b) carry out any steps required by the **Compliance Officer** to resolve the **Conflict of Interest**.
- (c)) Disclose to the Compliance Officer in form annexed as Appendix 3.

We engage the services of **Business Partners** to support our business activities and to participate in joint ventures and other business structures. These relationships are important to the **ACX Group** and provide valuable contributions in many areas of **ACX's** business.

However, these relationships require appropriate measures to prevent **Bribery** or other improper payments. In particular, it is important to ensure that **Business Partners** do not engage in **Bribery** on behalf of the **ACX Group**.

You must refer to the **Business Partner Due Diligence Policy** for further information and requirements in relation to **Business Partners**.

2.12 Hiring Decisions

We do not hire any official or someone suggested by, or related to, any official to help **ACX** obtain or keep business, or if the official offers to give a benefit to **ACX** or threatens to act in a way that harms **ACX** if the requested hiring decision is not taken.

Always use **ACX**'s normal hiring process.
